THIS IS UNEVALUATED INFORMATION

2. The Moscow National Institute of International Relations had two faculties, 25X1 Eastern and Western. The Eastern faculty includes Middle Eastern, and the Far Eastern countries, Japan and Australia. The Western faculty includes, Western European countries, North, Central and Latin American countries. The course at the MID was six years, and after graduation each student was directed to the country of his specialization.
3. The number of the students attending school was approximately 1,100; of this number 200 were from Soviet Satellite countries, 17 from Hungary. Foreign Minister Gromyko's daughter and Marshall Zhukov's daughter both attended this school. The daughter of Marshall Zhukov was studying on the Eastern faculty. The Soviet students of this Institute were of average age in between 26 to 28 years of age.
4. Working hours in the school were six hours a day, six days a week. The school program consisted of six courses; each course was one year long and was divided into two semesters. The first course, two semesters, consisted of the following subjects:
 - a. Principals of Marxism and Leninism 4 hours per week

5. Instructors in military training classes were officers in uniform of the rank of Lt Col and Col. One of the instructors was a former USSR military attache in Washington, [redacted] On one occasion in November or December 1955, [redacted] attended a lecture given by a Brig Gen of Military Science [redacted]

[redacted] The topic of the lecture was the preventative blow against any anticipated enemy attack. The lecturer stated that the USSR warning system is able to detect any enemy forthcoming attack in sufficient time to take preventive war action. The lecturer also stated that the USSR is going to have in the near future Atomic Submarines which will be able to launch long range missiles from the North Pole.
